

# PROGRAM AT A GLANCE

## Summer School

Welcome to St. Mary Summer School! Our program offers children an engaging, interactive, and enjoyable experience in a safe environment. A wide selection of classes, sports, crafts, and activities is available to any student entering Kindergarten – 8<sup>th</sup> grade in the fall. Exciting weekly themes provide additional opportunities to have fun and build friendships through cooperative activities and shared experiences. Best of all, students do not need to attend St. Mary in order to attend our Summer School program. All are indeed welcome!

## Extension & Extension PLUS

**Hours:** 7:00 a.m. – 6:00 p.m. Monday-Friday. (After 6:00 p.m., \$1.00 a minute will be due upon the parent's arrival.)

Extension is available to any student registered for at least 2 classes in our Summer School program. With crafts, activities, and games to fill up the day, Extension is a better alternative to most daycares. Families have the option to add Extension to provide care for their child while they are attending summer school classes each week. Families **also** have the option to choose Extension for one week at a time as long as their child is enrolled in at least 1 session of summer school. This allows families to offer care for their children for one week at a time in instances where they are unable to enroll in an entire session due to other scheduled summer activities. There are also three extra Extension PLUS weeks surrounding summer school sessions. Please see the Extension Care Fee table on the next page for weekly fees.

*~As a ministry of St. Mary's Parish, guided by the life of Jesus Christ and His Blessed Mother, we love with devotion, learn with passion, and lead with faith.*
