

ST. MARY SCHOOL

Love with Devotion + Learn with Passion + Lead with Faith

November 10, 2020

Dear Families,

As you may have heard, we have shifted into the COVID Purple Tier. You might be wondering what does this mean for our school? Well, we continue with on-campus instruction as per the directives that we received from County Health and the Diocese of Sacramento. Once a school is open it doesn't have to close if moved back to purple. We continue to follow our protocols to ensure safety in our daily school life.

I would like to remind everyone as the holidays are approaching that the choices you make at home affects our school community. If you plan a vacation that takes you out of your family cohort whether it be out of town, state or country then it must be communicated with the principal and the attendance line so that the appropriate steps are taken for safety. If your student(s) becomes sick while at home please report the absence on the attendance line and call the principal so that the symptoms can be reviewed and the appropriate measures taken; once again for the safety of the school community. I have daily conversations with our students on the safety protocols so that we can continue to be healthy and safe. It takes all of us working TOGETHER as socially responsible citizens to ensure safety during a pandemic.

Our school community is so blessed to have each other and we continue through prayer and virtue to live to grow in faith and community.

In the peace of St. Mary,

Mrs. DaRosa
Principal
St. Mary School
916-452-1100 ext.110

"With God all things are possible." ~ Matthew 19:26
